New Business Checklist

Register with the Georgia Secretary of State's Office

State Registration

- All businesses operating within the State of Georgia must register with the Georgia Department of Revenue. Please call (404) 656-2817 or visit www.sos.ga.gov.

Business Names and Trademarks

- Create a business name through the Georgia Secretary of State's office – www.sos.ga.gov. Click online in this order:
 - Business Services
 - Create a Domestic Entity
 - Register Online
 - Online Services
 - Create a User Account
 - Then follow the steps on the website. Fee should be \$100.
 - You do not need to do a Name Reservation. This only holds the name for 30 days.
 - If you don't know what type of legal entity is right for your business – learn more at this link: [Legal Entity.pdf](#)
- Prior to publicizing and circulating the name of your business and/or graphics, check the name's availability with the Georgia Secretary of State to assure it is not already in use within the state.
- To trademark or service mark the name, you must register it with the Secretary of State's Trademarks Division. Call (404) 656-2817 or visit [Trademarks and Service Marks | Georgia Secretary of State \(ga.gov\)](#).
- Any business operating under a name other than the corporation name, limited partnership name, or limited liability company name shall be required to register its trade name with the Paulding County Clerk of Superior Court at (770) 443-7527 and complete the [Trade Name Application](#).

Incorporation

- To incorporate your business, contact the Corporations Division of the Georgia Secretary of State at (404) 656-2817 or visit www.sos.ga.gov.

Confirm Zoning

Zoning

- Verify with the Planning & Zoning Division that the business activity you are intending to engage in may be conducted at the designated address of your proposed business location prior to submitting your business license application.
- Confirm with the Planning & Zoning Division what the required parking is for the proposed business.

- Please call (770) 443-7601 or visit the office at 240 Constitution Boulevard, Second Floor to speak with Planning & Zoning staff.

Will your business be installing signage?

- Both Home Based and Commercial businesses must complete a sign affidavit during the Business License application process. This affidavit lists the sign ordinance regulations for unincorporated Paulding County.

Apply for a Business License (Occupation Tax Certificate)

Business License

- Please view [map](#) to determine if the location falls within unincorporated Paulding County. If you are unsure what jurisdiction your address falls within, please call (770) 443-7596.
- If your business address is within the city limits of Dallas or Hiram, you will need to apply for a business license with them:
 - o [City of Dallas Business License](#)
 - o [City of Hiram Business License](#)
- Any business located within unincorporated Paulding County that engages in any business, trade, profession, or occupation is required to register their business with the county and obtain a Business License (Occupation Tax Certificate) annually.
- Please contact the County's Business License Division at (770) 443-7596 or visit their website at <http://paulding.gov/887/Business-License> for specific questions or concerns.
- When filling out the county business license application, you must choose what type of business you will be conducting, where you are going to have your business location – either **Home Based** or **Commercial** and think of a business name. (Create a name and register a name via www.sos.ga.gov).
- Please fill out an application, which can be obtained in person at the Business License Office located at 240 Constitution Boulevard, 2nd Floor, Dallas, GA 30132 or via the following links below.

Home Based Business License Application and Requirements

- [Home Based Business License Application and Requirements](#)

Commercial Business License Application and Requirements

- [Commercial Business License Application and Requirements](#)
- Prior to being issued a Commercial Business License, the applicant's place of business must have a building occupancy inspection and receive a Certificate of Occupancy and should meet all applicable Zoning requirements. Please check with the Planning &

Zoning Division to verify whether the business activity is allowable at the designated address prior to submitting a [Building Occupancy Inspection Application](#).

- In addition, State Licenses, County Permits, or any other federal, state or county requirements are mandatory prior to obtaining a Business License.
- Business Licenses do NOT transfer with new ownership or after moving outside of unincorporated Paulding County.

Renewals

- Paulding County businesses may [renew](#) their licenses either by mail or in person at the Business License office located at 240 Constitution Boulevard – Second Floor. All licenses expire on December 31 of each year.

Alcohol License

- Any individual, partnership, corporation or entity which engages in the sale of alcohol with the objective of gain, profit, benefit, or advantage in the unincorporated area of Paulding County must obtain a Paulding County Alcoholic Beverage License prior to engaging in these activities.
- Apply for a [Paulding County Alcoholic Beverage License](#) by clicking on the link.
- You must also schedule a mandatory appointment with the Marshall Bureau – Alcohol Licensing Division by calling (678) 383-3364.
- An application must also be filed with the Georgia Department of Revenue Alcohol Unit to obtain a State Alcoholic Beverage License. A state license cannot be processed until the County alcohol license has been obtained. For more information, visit the [Alcohol and Tobacco - Georgia Department of Revenue's website](#).
- All businesses with a county Alcoholic Beverage License, pouring and package, are required to pay an annual Federal Special Tax to the Bureau of Alcohol, Tobacco, and Firearms.
- New applications within 600 feet of any school building, education building, school grounds, college campus or adult entertainment establishment are not allowed. The owner of a residential dwelling or the official governing authority of the organization structure of a legal church entity which is located within the prohibited area may consent in writing to the applicant obtaining a license for the sale of alcoholic beverages by waiving the distance requirements.

Tobacco License

- Businesses that sell tobacco products must obtain a license from the Georgia Department of Revenue. Call (877) 423-6711 or visit <https://dor.georgia.gov/tobacco-licensing>.

Plan Review Process

All grading, land disturbance or development in Paulding County must be permitted and inspected. Acceptance of plans by Paulding County shall not constitute or guarantee any rights unless such plans are prepared in accordance with the County's Development Standards. Follow this link to get information on the plan review process: [Development Division Plan Review Process](#)

Upon receiving approval from all departments/divisions and affected outside jurisdictions, the applicant is granted a **Land Disturbance Permit**. This permit will allow the applicant to install sediment and erosion control measures shown on the soil erosion/sediment control plan. Some minimal clearing may be required to complete the installation of these devices.

Acquiring a Building Permit – [Building Permit Approval Sheet & Procedures](#)

Most structures in Unincorporated Paulding County require a building permit. To obtain a building permit in most cases, applicants must submit a scaled site plan drawn by a Georgia Registered Land Surveyor, Engineer, or Architect. The building permit ensures that the proper building standards are being utilized by obtaining the necessary signatures from each respective Division. Upon completion of the plan review process and submittal of a completed application, the Building & Permitting Division Office (1st floor of the Administration Building) will issue the building permit (office hours 8 am – 4 pm).

Certificate of Occupancy

Every new business, tenant, or building is required to have a Certificate of Occupancy (CO). This certificate indicates that the building or tenant meets the minimum adopted building and fire codes.

Establishing Water Service

Business Accounts: Commercial customers requesting new service should contact the Paulding County Water System Customer Service Center at (770) 222-6868 or visit the Customer Service Facility located at 3844 Atlanta Highway, Hiram GA 30141. You can also email at pcwapp@paulding.gov.

Business hours are Monday through Friday, 8:00 am – 4:45 pm.
